Course Expectations: Absences

- Students are responsible for assignments missed when they are absent. Ask a friend for notes and check the homework site for missed assignments.
- If you are absent, you will be responsible for handing in any assignments you missed when you return.
- If absent on the day of a QUIZ or TEST, please be prepared to take the assessment the day you return.
- If you know you are going to be absent, please let me know in advance so I can provide you with materials or plan a day for a make-up assessment.

How can I be prepared for class?

- Coming to class ready to learn means...
- Bringing my supplies EVERY DAY! Math binder (with paper for notes!), Pencils *Work to be handed in should ALWAYS be done in PENCIL!*
- TI-84 Graphing Calculator

- Not using electronic devices in class unless instructed to. Phones will be placed in the plastic bin at the front of the class and will remain there for the entire period.
- Being RESPECTFUL of the classroom, my teacher, and my peers.
- Being RESPONSIBLE for my personal learning experience. I will ask questions, remain focused, and take initiative to ensure I am reaching my full potential.
- Having an OPEN MIND! Be open to learning and ready to engage.

Homework-

- Homework will be assigned on a daily basis to reinforce concepts learned in the classroom. It will be announced in class and posted on the class webpage.
- Homework will be checked daily and collected from time to time. Work should be placed on your desk each day to be checked.
- All work must be shown, including diagrams if necessary.
- Work must be completed in PENCIL and writing must be legible!
- Late work will NOT be accepted.

QUIZZES and TESTS-

- Quizzes will be announced at least one class period in advance and tests will be announced at least three days in advance.
- Each chapter will conclude with a chapter test. At least one or two quizzes will be used per chapter to check for understanding.
