Dear Mackay School Parents,

Below are the new guidelines and instructions for students' birthday celebrations throughout the year.

- Students will NOT bring any food or treats from home. Please do not send in any gifts/items to share either.
- Staff and student birthdays will be announced in the morning announcements and acknowledged by classroom teachers in an age-appropriate way.
- Students will receive a birthday pencil and sticker from the Main Office; By eliminating food from our birthday celebrations, we are addressing the following:
- If you are sending in paper invitations for your child to hand out for a birthday celebration outside of school, please note that invitations must be given out to ALL classmates. Otherwise, invitations can be handed out to classmates outside of school hours.

We have many parties throughout the year including holidays, class celebrations, and special events, so our students will be eating and celebrating throughout the entire year.

Thank you for your help and support.

Mrs. Heidi Chizzik  
Acting Principal  
Mackay Elementary School
