Dear Mackay School Parents,

In celebrating the holidays in the classroom, I would like to remind the community that there is no distribution of food or sweets of any kind. Unless you are a class parent and have instructions from the teacher, we ask that parents/guardians refrain from sending anything in with their child. Several students have allergies or dietary restrictions and we do not want anyone to feel excluded from participating.

For certain holidays such as Valentine's Day, students are recommended to share cards, pencils, stickers, etc. instead. Each classroom teacher will have a special way of celebrating these holidays that do not include food. Students will have many other opportunities to have food and sweets in school and this is our effort to limit the amount that is consumed at Mackay. Thank you for your cooperation.

Mrs. Heidi Chizzik
Acting Principal
Mackay Elementary School
