Dear TMS Families,

Now that the warm weather has arrived and with June quickly approaching, I need your help. We have a school dress code and there are guidelines that we need all students to follow. We can only enforce these with your help, especially in the morning as your children get dressed for school. We will be making announcements to the students explaining that school is not the beach and it is not the playground. School is a place of business where work gets done and where everyone needs to be appropriately dressed.

These rules apply to all students and middle school is the first place where some life lessons are learned. One lesson that students need to learn is that when one moves around, bends over, or turns a certain way, their clothing can be much more revealing. This is something we want to avoid in any setting, especially school. Please help us by making sure students do not wear:

- Flip flops
- Tank tops with spaghetti straps
- Loose or drooping clothing that reveals undergarments
- Short shorts
- Shirts that reveal a midriff
- Shirts with inappropriate language or references

When multiple staff members agree that a student's clothing is not appropriate, we will address it in a few ways. We will require students to change or cover up if they have something in their lockers. We may give them clothes that we have here or we will call a parent to bring in something. To avoid these situations, please be vigilant at home in the morning. Thank you in advance for your support and I hope to see you soon.

Sincerely,

John D. Fabbo
Principal
