Below is a list of local private bus companies. Please note, these companies have been used by some parents over the years and this list was compiled as a courtesy to those seeking private busing however the Tenafly BOE has not contracted any private routes through these companies. Private routes contracted through these or any local private bus company is done at the discretion of the parent(s)/guardian(s). Another resource is your child's school H.S.A. as they may be able to get you in contact with parents who have similar transportation needs for carpools or shared private bus routes.
