Dear TPS Families,

The new school year is almost upon us and it is our hope that all members of our community have had the chance to relax, refresh, and recharge during the summer break. Our district has been dedicated to preparing our schools for a successful healthy school year and we cannot wait to welcome you back on September 9th.

As we prepare for your return, we want to share general, district-wide information designed to ensure [A Return to "Normal" - Back to School 2021](#). This outline supplements the Superintendent's Presentation from the August 23, 2021 Tenafly Board of Education meeting which is available for viewing [here](#).

Stay tuned for more specific information from your child's school that will further detail all you need to know for a strong start to this exciting school year. And as you make a few more memories to add to the summer 2021 collection, please know that the health and safety of our students remains paramount in our planning. While we cannot remove every risk of COVID that exists, we assure you that we are mindfully mitigating them on a daily basis in ways that will not compromise the social, emotional, and academic growth that only "normalcy" can offer. Rest assured, when they return to our schools, your children will be receiving an education rich in Tenafly tradition and at the highest caliber of excellence in safe, healthy, and nurturing learning environments.

Welcome Back, Tenafly.

Yours in Education,

Shauna

Shauna C. DeMarco
Superintendent, Tenafly Public Schools
