

TPS Community,

We are all looking forward to the upcoming winter holiday break, but unfortunately, COVID-19 reporting marches on. Please remember that reporting COVID cases is still required even when school is not in session. We ask that you continue to **report your cases to your school nurse and building principal.**

Although schools are closed, the Administration will continue to notify close contacts as promptly as possible given the holiday break schedule. We will also do our best to notify classrooms of COVID activity when we can, however our immediate attention will be to those individuals identified as close contacts.

During the break, cases and associated actions will be posted to the [district website](#) only. We encourage community members to check the [COVID-19 Dashboard](#) for school-specific activity. We will resume school-wide notifications once school resumes on January 3<sup>rd</sup>.

Again, we wish you a happy and restful holiday break.
