Dear Tenafly Community,

We want to assure you that we are aware of the gun store that recently opened on County Road up the street from Maugham Elementary School. We, like you, just learned of the new store and understand the concerns. We have been in contact with Mayor Zinna, the Tenafly Chief of Police, and our school administration team. Mayor Zinna has confirmed that all local zoning, and state and federal safety requirements for this type of store have been met and that the store applied for and received licensing from Bergen County. We will maintain communication on this matter with the mayor and police chief and will provide updates should they arise.

Sincerely,
Shauna DeMarco
Superintendent of Schools
